**PROPOSAL ASSUMPTIONS**

- Unless stated otherwise in the class definition(s), our eligibility requirements assume that employees are working on a Full-time basis. Part-time, seasonal, temporary, contracted, leased or severed employees are not eligible, unless otherwise noted.
- The rates and fees quoted within the proposal are based on information furnished to Cigna for the purpose of developing a proposal of group insurance. Cigna has assumed that the demographic and plan design information provided will be an accurate representation of your company at the time of implementation. Premium rates will not change unless Cigna provides advance written notice as specified in the policy's changes in premiums provision, subject to exceptions in the policy and the policy's termination provisions. These rates assume that the number of eligible or insured employees does not change by more than 10% from the date of the census provided. Rates may differ slightly due to rounding.
- This proposal is not an insurance contract. Should your company decide to install the plan of benefits described within this

proposal, your company's representative will receive a contract of insurance and related documents that describes the final benefit and service selections agreed to by you, the employer, and Cigna. All benefits will be subject to the terms of that contract.

- This proposal assumes that a group master policy will be delivered in Wyoming to a trustee for the benefit of the Employer and its eligible employees. The terms and availability of this proposal are subject to the laws of Wyoming and may be subject to change if the state of delivery is different. In addition, some jurisdictions require supplemental filing/approval for out-of-state policies covering their residents. As a result, coverage may not be available to employees in all states or coverage may vary slightly.

- This proposal assumes a minimum required lead time for implementation of 30 days prior to enrollment period.

NOTE: This proposal reflects coverage being funded on a post-tax basis.

- This proposal assumes Cigna will be selected as the carrier for the Accidental Injury and Critical Illness solutions. Cigna reserves the right to modify or withdraw the offer if all the products are not offered or not placed with Cigna.
